Hello Church Family,
We miss you and think of you often! We want to thank you for your ongoing support. God has been so faithful in this journey. Jeff and I are currently experiencing some unexpected financial needs and are reaching out to ask if you would consider helping us cover these areas. Our vehicle broke down suddenly in December; it had a major issue within the engine and was not repairable. The cost of used cars is higher here than at home and to find another vehicle that could suit our needs will cost more than fixing this one. The total cost of this repair is to be \$7200 Canadian dollars. We faced a medical emergency with Jeff needing surgery to remove his appendix on March 19th. While we went going through the emergency process of determining the source of his pain and sickness, I was told that the medical plan we have been paying into would only cover incidents related to trauma and not illness. The hospital policy is that all bills must be paid upfront before they will move the patient to have the surgery and at this point, we have paid \$9000 in hospital related fees using our credit cards. We are so grateful God knew who we would need to surround us in these difficult times and none of this is a surprise to Him. We draw so much strength knowing we have such an amazing team behind us, especially on days when it feels too big and too tough for us on our own. Your messages remind me that God is bigger than all our problems and that our family is so blessed to have you all. Please continue to connect with us through Facebook, and Whatsapp, we look forward to hearing from you!

Love, The Giesbrecht's
