Nominations for Church Board

Please take time to pray about who God would like to nominate for our church board. There are four positions, but this does not mean you need to write down four names. Please write a reason or two for why you are nominating this person.

The nomination committee will take these names and pray about them. Not every person that is nominated will be approached by the committee. The committee will only ask those that God leads them to ask. Please pray for our committee as they submit to God's leading. The nomination forms can be found in the foyer or contact the church office.
