### Update from: Lyndsey & Jeff Giesbrecht

Hey family, thanks so much for your prayers over us. We had a break in on property this week and had things stolen from outside our house and the maintenance shop. We lost around 10 pairs of our best shoes, and all the kid's bikes. The gate has now been modified to prevent this happening again, South Africa and many places are becoming more and more desperate as the rate of unemployment rises with the restrictions from covid. Pray for God to clear this disease and open borders, and tourism and bring people back to work to keep their families fed instead of choosing such a dangerous life of theft and crime. Thanks again for praying for us we know that God had us surrounded that night and I didn't hear a thing or wake up between 11-4(which is quite rare!)  
Love you all!
